Love to shop? Join the **FUN** during our **Annual Silent Auction** (ends March 3rd at NOON) where you can bid on all type of items generously donated from local and area business. While bidding on such items as Wine Tasting, gift certificates to restaurants, massages, jewelry and resort stays you know that Men, Women and Children of all ages are the direct beneficiaries of the funds generated from our **Silent Auction**. 100% of all profits are used to support our Financial Assistance "**Open Doors**" fund.

Did you know the YMCA offers Arts & Humanities classes such as guitar, visual arts, sewing, drama, ballet and ballroom dancing? Check out our new visual arts classes beginning Spring 1 session: **CRAFT-tastic & ART-tastic!** **CRAFT-tastic:** Register your child for a fun class of making friends, a mess and memories. Play-doh from scratch, bow making and seasonal decorations are just some of the activities your child will take part in. **ART-tastic:** Attend your child's gallery opening as they unveil what they've learned during the session. Visual arts techniques for painting, clay sculpting and more will be explored! Contact Rae Lynn rwaters@ymcaofcentralky.org for more information.

Please do not remove. The Pit Stop is available at the Member Service Desk literature rack & online.
