Jessamine County YMCA Summer Camp Policy Information 2010

Pick Up/Drop Off Procedures

Signing In

Students attending summer camps must be dropped off at the YMCA designated entrance and signed in by a parent. All campers must have a parent accompany them each morning, as important information will be communicated each day.

Signing Out

Parents are required to sign their child out at the end of the day by filling in the time and their initials on the sign out sheet. Anyone picking up a child must have a picture ID and must be on the child's registration form as an authorized pick up. No Exceptions will be made. Please make sure to bring your ID everyday, as the staff person at the parent table may change periodically. Upon arrival to the parent table, your child will be called to meet you.

Late Fee Policy

YMCA programs close at 6:00 pm. Beginning at 6:01 p.m. a late fee of \$1.00 per minute will be charged. This fee must be paid at the time of pick up. Emergency contacts will be notified starting at 6:15 p.m. If a child remains at the program one hour past closing, our only remaining alternative will be to contact legal authorities. Parents consistently late picking up their child may be asked to find alternate care. Please make sure that your child's registration form is up to date with the appropriate emergency numbers at all times.

Medication

State licensing regulations require that all medication be administered only with written orders from a physician, and daily written instructions from a parent. Parents must fill out the YMCA medication administration form and sign off on it daily. YMCA staff must keep the medication in a separate locked box away from the children. The medication must be in its original container. Prescription medication must have the original prescription on it. Non-prescription medication must have the child's name written on it with permanent marker and the medication will only be given as specified on the container.

Allergies

Please make our staff aware of any allergies your child may have. If your child has severe allergies, please make sure our staff has written instructions on what to do if your child has a severe allergic reaction. Precautions will be taken to provide a "peanut free" zone if a child in our care has a severe peanut allergy.

Illness

The YMCA wants to make our programs safe for all participants. Children who are ill can jeopardize the health of other children and our childcare staff. If your child exhibits any of the following signs or symptoms of illness, you will be called to pick up your child immediately:

- Vomiting
- Conjunctivitis (pink eye)
- Temperature of 101 degrees F
- Diarrhea
- Evidence of lice, scabies, ringworm, or other parasitic infestation

Children with lice must use a doctor-approved treatment and be free of nits (unhatched eggs) for 24 hours before returning to the program. When a child has a communicable disease the YMCA must be notified immediately. Children may return to the program after providing written permission from their doctor. The YMCA appreciates your efforts to arrive at the program promptly to pick up your child in the event of illness.

What to Bring

Campers are to wear comfortable shorts, t-shirts, socks and tennis shoes. (flip flops are only permitted to wear to and from the pool) Please do not send your child in clothing you do not want to get dirty. Children must come with a non-refrigerated sack lunch and drink, water bottle, swim suit, towel, sunscreen and a bag to hold it all each day. Please label all items; the YMCA is not responsible for lost items. Please do not send toys, money, cell phones, or other electronic devices with your camper.

Swimming

All campers will be required to take a swim test, administered by certified life guards. Any camper that does not pass the swim test will wear a red wrist band and must stay in designated areas. Any camper that passes the swim test will wear a green wrist band and can use all areas of the pool.

All campers are required to provide sun screen labeled with their name.

YMCA POLICY:

- Female campers are required to wear a one piece swim suit.
- Male campers are required to wear swimming trunks.

Discipline Policy

The YMCA's goal is to help children live comfortably with themselves and others. In order to achieve this, each individual needs to be responsible for his/her own actions. The YMCA wants to assist children in recognizing alternatives and consequences, which will help guide them to a more mature and appropriate behavior.

Our first efforts will be toward preventative discipline:

- Planning the program to meet the needs of children
- Keeping staff-to-child ratios at, or below state recommended guidelines.
- Being consistent
- Offering problem-solving assistance
- Stating directions and rules in a positive way
- Encouraging feelings of self-confidence
- Redirecting children

Immediate action will be taken when behavior gets out of bounds:

- Discussing the behavior with the child
- Removing the child from the group
- Keeping parents updated
- Working with parents to solve conflicts

The YMCA expects that all children in our programs will have respect for others and their property. Should a child become a constant disruption, or a danger to him/herself or others, the YMCA may have that child suspended or expelled from the program. Behavior reports are issued for unacceptable behaviors. Immediate suspension or expulsion may occur in the case of severe behavior problems.

Program Expulsion

In order to ensure a safe and inclusive environment for all campers any intentional participant behavior that puts the camper, staff or others at physical or emotional risk may result in immediate dismissal from the program. Any expenses incurred as a result of program dismissal will be the responsibility of the participant/ parent/ guardian. No refund will be given to campers leaving the camp prior to the end of the session due to disciplinary action.

Children who have been expelled may not return to any YMCA child development program on a permanent basis.

Please make your child aware of the following guidelines:

Character development is important at all YMCA programs. The YMCA is a place where everyone should be caring, honest, responsible, and respectful everyday. The staff goes over the rules everyday, and these rules help to keep everyone safe and having fun. We should always think before we act, and understand that our choices have consequences.

CAMPER CODE OF CONDUCT

I will make honesty the basis of all relationships and interactions.

I will care for myself, those around me and our environment.

I will accept all campers and allow each camper equal opportunities and involvement

I will respect myself, others, staff, and our environment.

I will be responsible for my own actions, attitudes and behaviors.

Please ensure you have reviewed this pledge with your camper. Failure to follow these guidelines may result in suspension or expulsion from YMCA Day Camps.
